Hi Guys,

COVID 19 Coronavirus disease

This has all happened a lot sooner than I was planning for, so much apologies for the hurried changes we have been forced to make. From MONDAY 23rd March ALL CLASSES have their venues closed. The intention is to run these classes live online. Please download the ZOOM app or visit the ZOOM website. It's easy to find & FREE. Each class will have a unique invitation link I will post in the Karate Kids Facebook page. Stick with us, we'll get you through this.

<https://us04web.zoom.us/>

All classes shall function at their usual time, log in & join the class. If you are on DD, your fees will be reduced in part as this is not how we want classes to be & also because we are all trying to get through this difficult time & finances play a big part in that. However please do not just cancel or try to adjust the DD yourself as that causes problems. We will do that for you. If you pay as you train right now, please arrange with me the DD so as to make life easier for all.

Next Grading

I am so sorry to have to tell you that we have had to postpone the grading until we can once again open the classes as normal. If you have paid for a grading, it can either be refunded or held until we do process a grading, which ever suits you best.

Russell Stutley Seminar

This event has also had to be cancelled which is a huge disappointment. We will endeavour to re-schedule this. If you have paid for this it will be refunded.

Kevin Davey Challenge awards

Lowenna Philp has now achieved silver, gold & PLATINUM. Well done. An excellent example to follow. 1st qualify to brown belt +, 2nd attend more classes in 12 months, 60 bronze, 90 silver, 120 gold & 150 platinum. 3rd additional requirements, become a leader, compete in tournament, do something for others outside of karate (charity), know your entire Japanese syllabus.

What's on? **Nearly forgot about Easter. Fri, Sat & Mon closed**

Well done Abi spotted that, good point earned.

The TOURNAMENT Oct ??th 2020 Wadebridge Sports Centre.
